Superintendent Meeting Complaints:

- Bus Scheduling: Englewood Cliffs and Englewood Students come at 7:00 A.M and wait outside for 30 mins.
- Lunch Issue: Traffic has gotten better, **resolved**.

New Complaint Ideas:

- DMHS and DMAE Name:

1. Called DMAE for 20 years, Admin has been switching it to DMHS bc DMAE isn't an official acronym.
- Valedictorians
 1. First time ever Last Year with only 1 Valedictorian and 1 Salutarian.
 2. Fair to have one pair of AE and one pair of DM students.
 3. Ask Dr. Cook why change and why it is equitable.
 - School Door Closing Time
 - Once it is 3:00, students are unable to enter the school building.
 - They are also not able to enter through the north building, but they have to enter through the gym doors (but they are closed)
 - During lunch, once you are out of the room, you cannot re-enter the lunch room. (north cafe)
 - Busing in the Afternoon
 - Students were on the wrong bus, and they had to call the bus company, not the admin.
 - Heather Waldron would not release information. She avoids all calls when people ask for help.
 - Students have to wait until 4:00-4:30 to get on the bus.
 - They wait outside the auditorium.
 - Schools should allow students to wait inside school when they are waiting.
 - Our school should have a **person** IN THE SCHOOL BUILDING to rely on during the bus situation.
 - Condition/Functionality of School Bathroom
 - South Building: there is food in the sink, walls, urinary, and music blasting inside.
 - South building upstairs boy's bathroom locks do not work well.
 - However, no one cleans the mess.
 - The toilet overflows, and the water fountain's sensors does not work (south building girl's bathroom)
 - Downstairs north building: the water fountain does not work too.
 - Meeting for Cytel
 - We do not have program managers yet, and people are currently applying for that position.
 - Applications for AE
 - Online open house
 - No AE manager/director
 - **Good reviews about lunch and club fair and schedules!!**
 - Pep Rally!
 - There was low sound quality.
 - The soccer field was a better location.

- A lot of students did not engage in the event (no one was able to see since they were all standing up)
 - Next time: place a platform, or have chairs for everyone to see everything
-
